

HIFU (The non-surgical face lift)

This treatment uses high intensity focused ultrasound to lift, tighten and firm the skin. HIFU penetrates to the SMAS layer, travelling deeper than any other machine in the world. One treatment only procedure.

TREATMENTS	
Eye lift	£300
Neck	£300
Décolleté	£300
Lower face	£400
Full face	£600
Full face and neck	£900

MEDICAL GRADE FACIALS £49

Pumpkin Mask Facial
Help prevent breakouts and assist with the release of comedones. This resurfacing mask gently decongests clogged pores for an extremely polished and smooth complexion.

Retinol Infusion Facial
Revive repair and restore. retinol infusion is the perfect pick me up for dull, lifeless skin. This powerful retinol blend will give instant radiance and repair compromised barriers.

Sweet Enhance Facial
Give your skin a workout to rejuvenate and boost. Instant brightening effects, combining 4 acids to combat fine lines, wrinkles, congestion, open pores, premature ageing. Great for those who lead an active lifestyle and starting to see the effects of environmental damage.

Sweet Hydrate Facial
Give your skin an instant boost of hydration using the purist grade of hyaluronic acid and reveal a plump and dewy complexion, reducing any signs of dehydration.

FACIALS

Derma Quest Advanced Facial £60.00
A tailor made facial to suit your skin needs, including a chemical exfoliation, massage, mask, moisturiser. 1 Hour Treatment.

Derma Planing Facial £75.00

A tailor made facial including the deep exfoliating Derma planing procedure, massage, mask, moisturiser. 1 Hour Treatment.

Million Dollar Facial £150.00

Using our cosmeceutical skin brand Derma quest we combine deep exfoliation using active ingredients such as glycolic, followed by the Derma planing procedure to remove all excess skin and vellus hair for the ultimate smooth feel. Derma roller treatment then follows for cell growth and stimulation of collagen, finished with a hyaluronic or firming enzyme mask for deep hydration. You will be left feeling one million dollars.

BBGLOW (mesotherapy)

This treatment combines medical grade vitamin ampoules and micro-needling, resulting in tighter, smoother and more even looking skin. Experience up to 300% more absorption of products used afterwards. STIMULATES NEW COLLAGEN AND ELASTIN PRODUCTION. Targets Ageing, Scarring or Pigmentation or for skin radiance.

TREATMENTS	1 SESSION	3 SESSIONS
BBGlow	£150	£300

LASER REJUVENATION

This treatment stimulates collagen to aid your skin's natural heal and repair mechanism. As collagen is healing for our skin, it can help to repair fine lines giving us an anti - ageing benefit. The capillary walls will grow stronger, this helps to diffuse any redness in the skin, for overall skin health.

TREATMENTS	PAY AS YOU GO	6 SESSIONS
Half Face	£50	£285
Full Face	£80	£408
